

SUPER SOUNDING.
 SUPER LOOKING.
SUPER LOUDSPEAKERS.

More impressive sounding than your favorite theatre or concert venue! Better looking than a piece of art! Able to convince the most critical audiophile with a single audition! Is it a live band? Is it a Broadway show? No, it's Sinclair Audio loudspeakers! Hear them at your local dealer today and your music and movie excitement level will go up, up, and away!

SCULPTURA SERIES

The unique combination of impressive acoustic performance and gorgeous cosmetics makes the Sinclair Audio Sculptura series the future of home audio/video speaker systems.

BRIGHTON SERIES

Used as reference audio loudspeaker system by Canada HiFi, precious few come close to looking as elegant and none come close to sounding as sensational as the audiophile Brighton Series.
